### The Poor Tiger

There once was a tiger I knew  
Who lived in Wellington Zoo  
And if he escaped from the cage  
Maybe he'll just eat you

He lives in a dirty exhibit  
With lots of rubble and goo  
And if there's something more worse  
It's the big tiger's smelly poo.

He lives in a cruel zoo  
With a few food supplies  
Each day they do something cruel  
To the poor Tiger's eyes

One day the Tiger escaped  
And then he met a geese  
It chased him up a tree  
And there got stung by 50 angry bees!

### The Poor Boy

he never went to school  
he spent all his life in a pool.  
he has the attention span of a cabbage  
he sleeps in the drainage .  
he's as fast as a snail,  
he thinks like a pail.  
he's kind of savage I think he eats garbage  
he can't walk a mile, I think he eats under a  
tile,  
he's a real stow away ,he Scavenges from trays.

Blue's the color of my mat  
Blue's my hanger, blue's my game  
Blue's my special photo frame

### Tigers

Tigers are so fierce  
Their claws even pierce  
They eat a lot of meat  
There is so much heat

It has a big belly  
I saw a lot of jelly  
I saw a tiger wear a wig  
I saw it do a jig

I saw a tiger's brain
